Adjournment

Any person who decides to appeal any decision of the City Council with respect to any matter considered at this meeting will need a record of the proceedings and for such purposes may need to ensure that a verbatim record of the proceedings is made, which record includes the testimony and evidence upon which the appeal is based. The law does not require the City Clerk to transcribe verbatim minutes, therefore, the applicant must make the necessary arrangements with a private reporter or private reporting firm and bear the resulting expense. Any person with a disability requiring reasonable accommodation in order to participate in this meeting should call 727-595-4646, or fax a written request to 727-593-1409.
