

## City of Belleair Beach - Budget in Brief - Fiscal Year 2021 – 2022

The proposed budget is designed to maintain and improve the community's quality of life while also remaining fiscally responsible. We will create a high level of resident satisfaction by focusing on a beautiful, friendly, safe, well-managed waterfront community. Our goal is to be a premier, gulf coast, residential community by creating a high level of resident satisfaction, ultimately increasing the demand for living in Belleair Beach and subsequently increasing property values.

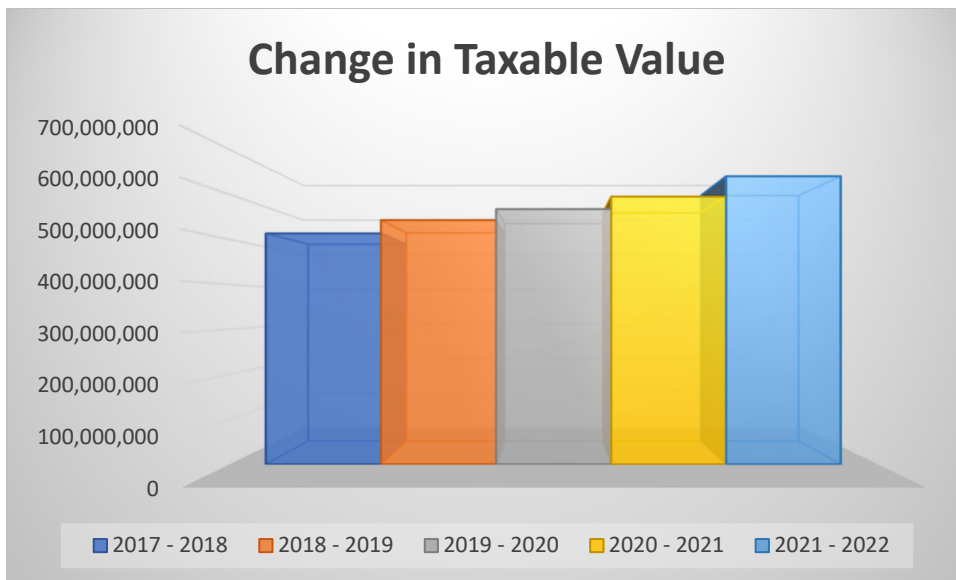

A millage rate is the amount per \$1,000 that is used to calculate taxes on property. Millage rates are set by the Pinellas County Board of County Commissioners, Pinellas County School Board, cities in Pinellas County, and other taxing authorities.

## 2020-2021 Tax Rates by Agency

Belleair Beach is unique because it does not have any commercial businesses located within the City limits (by City Charter), therefore it has no commercial tax base. The primary sources of revenue consist of various municipal and state taxes, rental charges for the use of the City Hall building (which is utilized for weddings and other functions) and the Marina boat slips that are rented on a monthly basis.

## Change in Taxable Value
